Edward White reported the difference of 659.97 to the Court, the IRS, and the State.

Re: Estate of Jean M. O' Connell

Dear Mr. O'Connell,

In your letter of May 6 to Jean you asked that I communicate with you with regard to the Harold O'Connell Trust.

I am trying to prepare the estate tax, and as usual in these cases, there are problems trying to understand the flow of debts and income.

I do have a few questions which are put forward simply so that the figures on the Trust's tax returns and accounting will agree with the estate's.

- 1. The K-1 filed by the Trust for 1991 showed income to your mother of \$41,446.00. The Seventh Accounting appears to show a disbursement to her of \$40,000.00 plus first half realty taxes paid by the trust for her and thus a disbursal to her of \$1794.89. If these two disbursals are added the sum is \$41,794.89. This leaves \$348.89 which I cannot figure out. It could well be a disbursal of principal and not taxable.
- 2. The K-1 filed by the Trust showed a payment of \$816.00 in interest to the estate. You sent a check in the amount of \$1475.97 to the estate. What was the remaining \$659.97? Do I have this confused with the tax debt/credit situation which ran from the Third Accounting?
- 3. On the Seventh Accounting "Income per 7th Account" is shown as \$5181.71, but I cannot figure that one out either.

I am of the opinion that the estate owes the trust for the second half real estate taxes from September 15, 1991 through December 31, 1991 in the amount of \$1052.35. This is shown on your accounting a disbursed to the heirs. Should this be paid back to the heirs or to the Trust?

I believe that the income received from the savings accounts

Page 2 Ltr to Mr. Anthony M. O'Connell May 19, 1992

from September 15 to the date the various banks made their next payment to the Trust (9/30 and 9/21) should be split on a per diem basis, since the Trust terminated on her death. This will be a small amount of course.

Are there any other debts which your Mother owed the Trust?

I realize that Jo Ann Barnes prepared this and if you authorize it I can ask her to help me out.

Please understand that I have no problem with the Accounting, I m just trying to match things up. In the long run, since the beneficiaries are the same, the matter is academic.

Please send the bill for the appraisal whenever you receive it. Jean is filing the Fairfax form for re-assessment in her capacity as a co-owner in order to give us a better basis to get this assessment changed and to meet the county's deadline. It will state that the appraisal you have ordered will follow. I think this will be to all of your benefit in the long run.

Sincerely,

Edward J. White

Dear Mr. O'Connell:

Enclosed please find a copy of my report approving your 11th account as trustee in the above matter as your Final Account. As you will see from the report, it appears to me from the information you have provided that the \$659.97 debt you report is not a trust asset. Even if the debt existed as you suggest, it's collectability would be so problematic and uncertain, and the effort so costly, as to render it worthless and make reasonable a decision for it to be abandoned as an asset. It certainly should not be the basis for keeping this trust estate open and requiring the filing of annual accounts indefinitely.

In the event that the trustee is successful in recovering \$659.97 or any other funds which are proper trust assets to be accounted for, such may be reported to the Commissioner of Accounts by an Amended Inventory and, thereafter, accounted for by proper accounts.

If you disagree with this action by me, you may file exceptions with the Court within fifteen (15) days of the filing of my report and take the matter up directly with the Court.

Dear Mr. O'Connell:

This will acknowledge receipt of a copy of your letter of July 24, 2000 to Judges of the Nineteenth Judicial Circuit Court of Virginia.

While I do not presume to speak for the Court or any of the Judges, I think that it is safe to say:

- (1) the Court is not organized or constituted for the purpose of conducting the sort of investigation required to establish the facts that you allege in your letter. The Court can only decide cases based on evidence produced by others;
- (2) the officials who are responsible for conducting investigations of alleged crimes in Virginia are the Commonwealth Attorneys (the prosecutors) in each jurisdiction and the police departments and their detectives. If the available facts are sufficient to convince the Commonwealth's Attorney that it can be proved that a crime has been committed, and that a prosecution is not barred by the statute of limitations, his/her job is to bring the matter before the Court.

I hope this will be helpful.

Very truly yours,

Jesse B. Wilson, III
