Dear Mr. H. A. O'Connell and Ms. Jean M. O'Connell:

Virginia Electric and Power Company (VEPCO) has filed an application with the Board of Zoning Appeals of Fairfax County, Virginia (BZA) for a special use permit to rebuild an existing transmission line between its existing Occoquan and Hayfield substations. The project is necessary to assure an adequate supply of electricity to eastern Fairfax County.

VEPCO now has two sets of lines on steel towers between the two substations. The two sets of towers are immediately adjacent from Occoquan substation to Shirley Highway (except for a minor divergence near Silverbrook Road). Between Shirley Highway and Hayfield substation the two sets of towers are separated. No change is planned in the southernmost tower line. VEPCO plans to remove the northerly set of towers and replace it with a set of steel poles, similar to those which may be seen at several places on the Beltway.

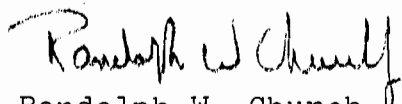

The poles will be slightly shorter than the towers which will remain -- or about twenty feet higher on average than the towers which will be replaced. The poles will occupy less space on the ground than the replaced towers and are generally felt to be aesthetically preferable. No new right-of-way is needed.

You appear from the tax records to own land near or crossed by the line proposed to be replaced. This will notify you that you may express your views at either or both of the two following public hearings to be held in the Board Room at the Massey Building, 4100 Chain Bridge Road, Fairfax, Virginia.

1. A hearing before the Planning Commission of Fairfax County on February 26, 1976, at 8:15 p.m.
2. A hearing on the use permit before the BZA on March 2, 1976, at 11:00 a.m.

If you have questions or desire further information, please feel free to call me at 273-2440.

Yours very truly,

Randolph W. Church, Jr.

Re: Estate of Harold A. O'Connell

Dear Mrs. O'Connell:

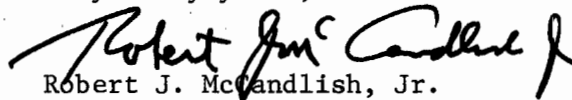

According to the inventory filed for the above estate the gross value was \$90,650.27 and under the terms of the will one-half of the estate goes to you as the "Marital Share" (one-half being the amount allowed the wife without estate tax by IRS) and the balance goes to the "Residuary Estate" which shall be held in trust by Anthony M. O'Connell, as Trustee, and the income paid to you and, in the sole discretion of the Trustee as to time and amount, the principal of the trust may be used for your support and maintenance.

This trust must be set up since we cannot ignore the will and at your death the balance in the trust goes to your three children or their issue. At this time, we don't know who that will be.

Please advise me what is being done to set up this trust. As a non-resident, Anthony M. O'Connell can act as Trustee only if a resident of Virginia qualifies with him or a Virginia resident is designated as an agent to receive notices and processes from the Court and the Commissioner of Accounts.

It is possible that an indemnification agreement can be worked out so the trust need not be funded, but this office should not advise you about such an agreement.

Very truly yours,

Robert J. McCandlish, Jr.

Re: Estate of Harold A. O'Connell

Dear Mr. O'Connell:

This will acknowledge receipt of your letter of July 11, 1985.

Mr. Mackall's advice is correct, in my opinion, under the circumstances. A resident agent can be appointed to serve with a non-resident personal representative such as an executor or administrator of an estate. However, the exception provided in §26-59 of the Virginia Code does not extend to non-resident trustees. Therefore, I believe that a resident co-trustee will be necessary.

As Mr. Mackall has pointed out, this should not be the cause of any significant trouble or expense.

Yours very truly,

Robert J. McCandlish, Jr.
