Re: Disbursement

Dear Jean,

Enclosed is an agreement which should satisfy Tony as to the car. It cannot be any clearer.

Also enclosed is a preliminary analysis of the estate tax, which should be close to being accurate. I do need to check with Jo Ann Barnes as to a technical question as to whether or not any of your father's trust comes into this. I do not think it does, but there have been many changes in the law since that trust was established. I will have to ask her to bill us for that advice and any other technical tax matters I am not comfortable with. I can do most of the rest of the tax work and save the estate some money.

The executors' commission shown on the analysis is not figured on the value of the realty; however it does not include the 5% commission on the receipts of the estate in addition to the inventory.

In order to file that return and the subsequent Fiduciary Income tax return we will need an accounting from Tony from the date of his last accounting to the date of death. If he does not want to prepare it, I will not agree to any preliminary disbursement to him at all, and will seek your approval to file suit against him to compel the accounting, plus damages to the estate for his delay. Since that trust terminated on your mother's death, his final accounting is due now and not in October.

There will be no further explanations or written entreaties to him as far as I am concerned. He has the duty and he will perform it under a court order if necessary. Of course he will furnish that receipt.

The preliminary analysis contains three alternatives on Accotink at the bottom for your consideration.

In the event that we do seek a reduction in the assessment Tony will be given written notice that his prompt cooperation is necessary and that if he fails to cooperate that he is aware of the

Page 2
Ltr to Mrs. Jean M. Nader
April 27, 1992

adverse consequences to the estate and is responsible for them.

As far as further steps are concerned, we have a lot to do. No gift tax returns were filed for 1989 and 1991 which will have to be done. The results of those gifts are factored in under "Unified Credit used for gifts 9,784".

The paper trail in the court and IRS is as follows:

- File Estate tax by June 15, 1992
- File First Accounting (16 months after qualification but can be sooner)
- Ask for posting of Debts and Demands against the estate.
- File Fiduciary Income tax returns for period 9/15/91-9/15/92, due January 1, 1993.
- File Motion for a Show Cause why distribution should not be made. Submit Show Cause Order.
- Request Executor's exoneration letter from IRS and Virginia.
- Obtain closing letter from IRS and Virginia as to estate tax returns.
- File 1993 Fiduciary tax returns (Sept. 1992-distribution)
- File for Order allowing distribution.
- Distribute estate.
- File Final Accounting.

Normally distribution is withheld until the Order of Distribution is entered. As I indicated the creditors have one year to press claims against the estate. No prudent executor will distribute before that period, the entry of the Order of Distribution and the receipt of the tax closing letters.

Sincerely

Edward J. White

Re: Estate of Jean M. O'Connell

Dear Mr. O'Connell,

In your letter of May 6 to Jean you asked that I communicate with you with regard to the Harold O'Connell Trust.

I am trying to prepare the estate tax, and as usual in these cases, there are problems trying to understand the flow of debts and income.

I do have a few questions which are put forward simply so that the figures on the Trust's tax returns and accounting will agree with the estate's.

1. The K-1 filed by the Trust for 1991 showed income to your mother of \$41,446.00. The Seventh Accounting appears to show a disbursement to her of \$40,000.00 plus first half realty taxes paid by the trust for her and thus a disbursement to her of \$1794.89. If these two disbursements are added the sum is \$41,794.89. This leaves \$348.89 which I cannot figure out. It could well be a disbursement of principal and not taxable.

2. The K-1 filed by the Trust showed a payment of \$816.00 in interest to the estate. You sent a check in the amount of \$1475.97 to the estate. What was the remaining \$659.97? Do I have this confused with the tax debt/credit situation which ran from the Third Accounting?

3. On the Seventh Accounting "Income per 7th Account" is shown as \$5181.71, but I cannot figure that one out either.

I am of the opinion that the estate owes the trust for the second half real estate taxes from September 15, 1991 through December 31, 1991 in the amount of \$1052.35. This is shown on your accounting as disbursed to the heirs. Should this be paid back to the heirs or to the Trust?

I believe that the income received from the savings accounts

Page 2
Ltr to Mr. Anthony M. O'Connell
May 19, 1992

from September 15 to the date the various banks made their next payment to the Trust (9/30 and 9/21) should be split on a per diem basis, since the Trust terminated on her death. This will be a small amount of course.

Are there any other debts which your Mother owed the Trust?

I realize that Jo Ann Barnes prepared this and if you authorize it I can ask her to help me out.

Please understand that I have no problem with the Accounting, I m just trying to match things up. In the long run, since the beneficiaries are the same, the matter is academic.

Please send the bill for the appraisal whenever you receive it. Jean is filing the Fairfax form for re-assessment in her capacity as a co-owner in order to give us a better basis to get this assessment changed and to meet the county's deadline. It will state that the appraisal you have ordered will follow. I think this will be to all of your benefit in the long run.

Sincerely,

Edward J. White

SCHEDULE F—Other Miscellaneous Property Not Reportable Under Any Other Schedule

(For jointly owned property that must be disclosed on Schedule E, see the instructions for Schedule E.) (If you elect section 2032A valuation, you must complete Schedule F and Schedule A-1.)

1 Did the decedent at the time of death own any articles of artistic or collectible value in excess of \$3,000... 2 Has the decedent's estate, spouse, or any other person, received (or will receive) any bonus or award... 3 Did the decedent at the time of death have, or have access to, a safe deposit box?

If any of the contents of the safe deposit box are omitted from the schedules in this return, explain fully why omitted.

Table with 5 columns: Item number, Description, Alternate valuation date, Alternate value, Value at date of death. Rows include 1988 Plymouth Van, Interest owed on Lynch Properties Note, Virginia 1990 tax refund, Blue Cross payment due, Interest due Harold O'Connell Trust, Debt due from Harold O'Connell Trust, and TWO CEMETARY LOTS FAIRFAX MEMORIAL PARK.

Your question regarding the wording of Schedule F of the estate tax return which was filed in September 1992, implying something or another, makes no sense at all.

From the lawyer's letter of July 20, 1995

Note: The lawyer told the IRS in Schedule F of (1) the Estate Tax Return of September 1992, in (2) the First Amended Estate Tax Return of June 1993, and in (3) the Second Amended Estate Tax Return of April 1995 that there was a:

Debt due from Harold O'Connell Trust 659.97

Total from continuation schedule(s) (or additional sheet(s)) attached to this schedule. TOTAL (Also enter on Part 5, Recapitulation, page 3 at item 6. 31,320.90)

(If more space is needed, attach the continuation schedule from the end of this package or additional sheets of the same.)
