2. Dear Mrs. O'Connell:

Upon reviewing my files I cannot find where you have paid for your Last Will and Testament. You stated that you had a cancelled check. Please forward to me a copy of that check so I can determine where that payment was credited. Usually on fee checks, we like to pencil in our file number somewhere on the face of the check and that reference would be most helpful to me in determining where your check was credited.

I discussed your objections concerning our fees with Mr. Wall who was quite surprised at your position. Since you feel so strongly that the work we did at your request did not justify the \$600.00 charged, Mr. Wall authorized me to deduct \$100.00 from the bill for the time he expended. You must remember the work we did for you was done without consultation since you delivered a file to us and was unavailable for discussion about it since you went out of town immediately after delivery. The file was reviewed carefully. Mr. Wall did contact and meet with the Commissioner of Accounts and reviewed your probate file at the clerk's office. We also made various telephone calls to your past accountants and checked the land records to make sure that title was correct. All of these things involve time which the Client does not see but the time, in fact, was expended.

In reference to outlining your fee to eliminate the Trust set up in your husband's Last Will and Testament, I feel that since you have disputed our time and fees previously charged to you, it would be better for you to obtain another attorney to provide that service for you. If you will recall, your husband's Will was quite long and complicated and removal of the Trust could be quite complex and time consuming, and it would be unfair for me to estimate a fee to provide that service at this time.

Remember your deadline to file your accounting is the 31st day of this month, and I wish you the best of luck in accomplishing this accounting and finding another attorney to provide the services outlined herein.

Very truly yours,

  
Philip D. Shalloway

Dear Mrs. O'Connell:

I am in receipt of your letter of February 3, 1985, and even though I did not remember keeping any of your papers I completely reviewed my file, contacted Mr. Clement J. Wall who also reviewed his file, and it is both of our recollection that all the papers, including the items you requested in your correspondence, were returned to you at our last meeting on January 3, 1985.

The two items you refer to had to be given to you because, without them, your accountant could not have prepared the final accounting that was due January 31, 1985. Perhaps you should contact your accountant to see if you gave them to her.

I hope you find your papers soon.

Dear Mr. Shelbourn,

I admired the way you critiqued the contract of a friend of mine and how well you handled the problem of another friend I had recommended go to you. In fact there was no doubt in my mind that I could trust you implicitly to help me file an estate accounting.

I am sorry that the issue has become so confused. The enclosed check \$80- I feel more than covers the time spent on what actually was useful to my estate accounting. That is calling the Com. of Accounts office for a time extension - 30 days - the same time the Sheriff's office was late in delivering the notice to me.
